SERIES PREMIERE

DIE returns for an epic new story of a dark fantasy adventure game gone horrifically right or wonderfully wrong. A year after their return from the hellish game world, the players gather for Chuck's wake. They've finished with the game. The game isn't finished with them. The three-time Hugo Award-nominated series is back in November. Get ready to roll initiative. Who's going to DIE this time?

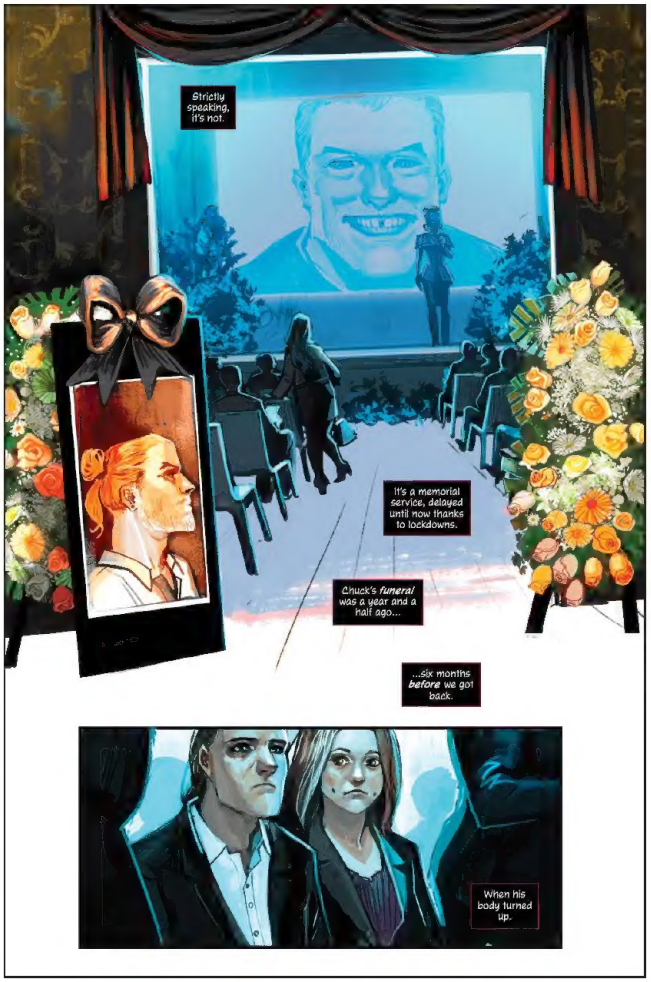
DIE: LOADED #1

STAFFORD, EARTH.
So, we've been back for a year.
After two years, we escape a hell dimension to find ourselves trapped inside by a pandemic.
Which could be ironic, but with what we know about the amoral god that lurks outside time and space, feels more like trolling.
"Hey, Ash—we were discussing what escapism was for. Have another year to chew it over."
Thanks, Die, fuck off forever.
And I have a two-year-old.
He didn't trust the weird stranger at first...
..."You and me, kid. You and me."

Hey, Ash...
Don't you dare wake him, motherfucker.
Babysitter is paid. We are going *out*.
Well, Sophie, don't *you* wake him up with the "motherfuckers"!
The real horror: how little time I've had to do anything about my gender bullshit.
And the weirdest thing?
Being called "Daddy" just seems to take priority.
Everything is a role for me. Right now, I play it and play it as well as I can.
Another distraction from doing anything else?
Guilt.

When I was away, Sophie was *here*, single parenting. I've spent so long being petrified for her in retrospect.
It was all in that first moment: Sophie dragging me in to see Stuart before I could say anything, so eager she was to share it.
"Look what my body did, after everything."
Then she asked me where the fuck I went.
I wanted to tell her about Die. I didn't.
We'd all already decided we wouldn't—the fear of infecting people was still there.
It was only later I had a chance to tell her about my aforementioned gender bullshit.
She listened. We talked. We talked some more. Eventually, she just asked...
"So what do you want to do?"
And I said...
"Oh, I wish I fucking knew."
We don't *have* to go.
We're going. Besides, this is... perfect.
She means "perfectly horrific."
It's our first solo night out since COVID, since you being kidnapped again, since Stuart coming...
...and we're going to a *funeral*.



Strictly speaking, it's not.
It's a memorial service, delayed until now thanks to lockdowns.
Chuck's *funeral* was a year and a half ago...
...six months *before* we got back.
When his body turned up.

DIE: THE ROLEPLAYING GAME, QUICKSTART EDITION

STORY KIERON GILLEN

ART & COVER STEPHANIE HANS

DIE returns with ***DIE: Loaded*** this month. The temptation to try the Origins Award-winning ***DIE*** **RPG** will be strong. We make it easy for you with this self-contained, comic-format quickstart. It gives you all the rules and characters you need to play, and includes a complete multi-session scenario to get you started. Just add dice, friends, and a desire to be sucked into a game.

Written and illustrated by the creators of the comic, **Kieron Gillen** and **Stephanie Hans**, this is your gateway to making your own, bespoke ***DIE*** experience at home.

DIE, VOL. 1-4 TP
DIE, VOL. 1 HC

DIE: THE ROLEPLAYING GAME, QUICKSTART EDITION

This is a quickstart for the DIE RPG. If you want the full thing, it's available directly from Rowan, Rook & Decard (WWW.RRDGAMES.COM/DIE), and your local gaming and comic shops.

If you're coming to RPGs entirely cold, we strongly recommending watching games folks have recorded online ("actual plays"). Any game will at least give you the basics, but watching a game of DIE RPG will be much more specific.

This scenario in this quickstart will take 2–3 sessions of 3–4 hours to play. If you have to fit into one session a set strict time limits on Personality generation and encounters, and be ready to skip some encounters (Combat and Die are good candidates).

WHAT IS DIE?

DIE is a comic book series by Kieron Gillen and Stephanie Hans, where a group of deeply flawed adults are transported to a fantasy world via a predatory, sinister roleplaying game. There they're transformed into Paragons, each of whom is a warped take on a core fantasy roleplaying class. In this world, they get to confront how their lives have diverted from their youthful fantasies, to confront their darker sides and buried secrets. They generally cause trouble.

It's been jokingly described as "Goth Jumanji." It is a portal fantasy for adults and is available from all good book shops.

WHAT DOES DIE RPG LET YOU DO?

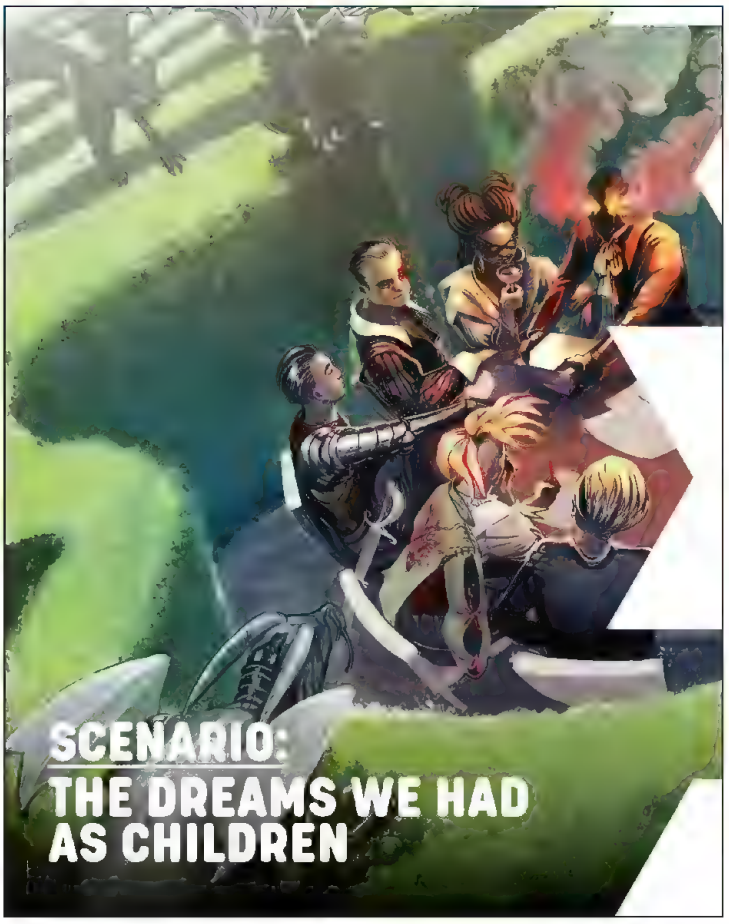
In this game, you make your own entirely bespoke version of the *DIE* story. You make your own social group of messed up, real-world humans. They're dragged to a world which echoes their own strengths and weaknesses, failures, losses and successes back at them. It is their fantasy world, personal and horrifically theirs.

Each of these visitors is transformed into their own unique versions of the iconic Paragons of the series.

D4		**Dictators** break hearts with words, in a blood-fountaining out-of-people's-mouths way.
D6		**Fools** rush in with a smile on their face, knowing if it slips, they'll be torn apart.
D8		**Emotion Knights** know if they feel their passion strong enough – fear, hate, loathing, whatever they choose – they can decapitate gods.
D10		**Godbinders** haggle with and bully the divine to get their miracles done cheap.
D12		A **Neo** sneaks into a Prussian dragon's lair to steal Fair Cold that will power up their techno-weaponry enough to kill the bastard thing.
D20		**Masters** shuffle reality, knowing if their cheating gets caught they'll have to suffer torment for breaking the rules.

In the end, a decision. Do the visitors go back to their real lives? And if they disagree, how will they come to an agreement? Can they settle things like grown-ups, or are swords and spells going to settle this? Because the dead don't get a vote.

Will the game continue, or will the game end? You and your friends decide.



THE FOOL

YOUR NAME:

CLASS DICE: D6

You can add your D6 to your dice roll any time you're acting in a foolish, daring or clever fashion. If any dice pool which includes the Fool's D6 rolls a 6, gain **Special**. If another PC has Special, add it to the current dice pool.

Always look on the bright side of life, as the song goes. It's true.

If a fool's laughing, you'll get out of this still alive. If you get a laugh, your enemies won't be laughing for much longer. Don't take things too seriously, and it won't get too serious. At least for the Fool.

The Fool's the swashbuckler, a romantic rogue, the life and soul of the adventuring party. The rest think they're irresponsible, but the Fool's whit ties mean the only responsible thing to do is be irresponsible. Screw everyone else if they can't take a joke.

Fools rush in – and their friends have to deal with the consequences.

PLAY A FOOL IF YOU WANT TO...

- Bound into action with a grin, knowing your luck will protect you.
- Get out of any situation by the skin of your teeth, even if it means making a few sacrifices.
- Deal with the chaos when pushing your powers too far inevitably blows everyone on the ass.

THE CORE MECHANIC

1. GET 1 DIE PER STAT POINT
2. ADVANTAGE, DISADVANTAGE +1 / -1
3. ROLL THE DICE
4. KEEP ALL 4+ DICE
5. LOSE 1 DICE PER DIFFICULTY
6. SUCCEED IF ANY DICE REMAIN
7. SPEND 6+S FOR SPECIALS

STATS

ADVANCE SOLICIT

Limited edition to one printing only!

After decades in comic-book exile, the absurd skatepunk cult classic *Black Heart Billy* returns, celebrating 25 gloriously questionable years of terrible choices, filthy living, and a long-forgotten punk-rock ideology all wrapped up in the last thing it deserves, a fancy hardcover.

Meet Billy Black: skate-punk misfit with a robotic head, a bottomless supply of sarcastic contempt for society, and terrible impulse control. His life is a never-ending quest for fun, punk rock debauchery, and skating abandoned pools-- until a deranged Nazi scientist decides to bring Adolf Hitler back inside the reanimated corpse of Jerry Garcia. Now, San Francisco is rapidly descending into a fascist hippie nightmare and only Billy, armed with snide disdain, a baseball bat, and reckless disregard for personal safety, can defeat this self-righteous, patchouli soaked, moral authority.

Created by the dynamic duo of **Rick Remender** (***Grommets***, ***The Scumbag***) and **Kieron Dwyer** (***Sea Of Red***, *Captain America*), ***Black Heart Billy*** is a joyful mash-up of comic absurdity, irreverent satire, and non-stop anarchic action.

This stylish hardcover collects the entire original run in original black & white, plus a treasure trove of previously unseen goodies and a new afterword that Remender probably wrote in a nostalgic delirium.

*"***Free Planet** *demands to be read in a comfy chair, next to a fire, or the window of a starship, while taking in a distant supernova."* —**Robert Kirkman** (***The Walking Dead***, ***Invincible***)

The epic worldbuilding of *Dune* meets the romance and drama of *Saga* in this complex, action-packed space opera about the first completely free planet in human history.

In the wake of a grueling war of independence, a team of revolutionary heroes is tasked with defending their home and its uniquely potent energy source from multiple intergalactic superpowers intent on domination. But though they are each deeply committed to the dream of a free planet, they all have completely different ideas about what complete freedom actually entails. Faced with separatist movements, counterrevolutionaries, political deadlock, famine, equipment shortages, a looming trade war, violent attacks and wildly divergent ideas of how to handle each, can true freedom endure?

Informed by real-world research and extensive design work, **Aubrey Sitterson** (*The Comic Book Story of Professional Wrestling*, *No One Left to Fight*) and **Jed Dougherty** (*Savage Hearts*, *Worlds' Finest*) have created a comic that functions as both literature and art object, a rumination on freedom, the sacrifices it demands, the discipline it requires and the authority that must arise in its absence.

*"**Lost Fantasy** has chosen a hellishly difficult quarry to pursue: to be goth high action genre and obviously smart. It's inspiring to watch this slide its blade home."* —**Kieron Gillen** (***The Power Fantasy***, ***The Wicked + The Divine***)

There is a world of magic, myth, and monsters that exists beneath the surface of our own.

In Lost Fantasy, a magical world lies beneath ours, and first contact was made over a hundred years ago between the two worlds due to a natural disaster, resulting in a schism that allowed monsters to break through. Since then, secret monster slayers, known as The Great Hunters, have been working with global leaders to police the border and to keep our world safe from the creatures that lurk in the shadows. But last night, something broke through, resulting in a mysterious mass killing in Montana, and causing things to shift in a way that will ripple through both worlds. NEW YORK'S DESTINY IS WRITTEN IN ITS DEPTHS...

Alison Walker is a promising young painter in Manhattan. But she has a secret. She's also a witch. She and her family belong to the world of Under York, a mysterious, underground New York where five powerful clans of witches have reigned for centuries. These families with their strict codes of life, drawn from the country's main communities (African, Irish, Chinese, Mexican, and Amerindian) practice magic as powerful as it is dangerous. For generations, they have been hunted and persecuted. Today, they secretly influence life on the surface and its inhabitants. Their revenge is to participate in the destiny of a world that banished them. This is the universe in which Alison Walker grew up. The universe she fled and doesn't want to hear about anymore. Until fate catches up with her...

Acclaimed French writer **Sylvain Runberg** (*Watchdogs*, *Warship: Jolly Roger*) and superstar Harvey Award winner **Mirka Andolfo** deliver a fascinating tale where urban fantasy takes root in the bowels of the world's most famous city. Two universes—that of contemporary New York and its dynamism and modernity and that of the secret, underground magical clans of Under York—collide in the destiny of a young witch on the run.

"A sweeping magical-realist coming-of-age story set after the apocalypse." — *The New York Times*

"Ríos pits a group of teens against a changed world in a bid to survive in this stunningly rendered postapocalyptic eco-horror graphic novel." — *Publishers Weekly* (starred review)

A gorgeous and brutal story that revolts against the notion of violence as the only response to a life without hope.

The Sea, secretly more complex than anyone imagined, rises one day. The horizon folds as the Sea absorbs the world and transforms everything that's been pulled inside it. Three kids find themselves unmoored and lost, but brought together by the physical and mental changes wrought by the tides and a desire to avoid harming any living creature.

STORY ED BRUBAKER

ART / COVER SEAN PHILLIPS

Celebrating the Prime Video series adaptation, the ninth story in Brubaker and Phillips' groundbreaking crime series returns to print with a stunning new cover painting and design.

The ultimate comic con crime tale is here, as Jacob (last seen in ***Criminal, Volume 4: Bad Night***) dives into the underbelly of the world of comics to escort his old mentor to a convention.

Comics won't just break your heart. Comics will kill you. And Hal Crane should know, he's been around since practically the beginning. Stuck at a convention, waiting to receive a lifetime achievement award, Hal's weekend takes us on a dark ride through the secret history of a medium that's always been haunted by crooks, swindlers, and desperate dreamers.

The radioactive renegade faces his most perilous challenge yet as he confronts the devastating chaos brewing in Lewistown, Montana. With his powers spiraling out of control, Tariq must fight to protect himself, his allies, and the innocent lives at stake. But salvation might only come with the unexpected aid of... Ashley Arden, The Glowing Woman!

Ashley claims she has the secrets to control her enormous energy, and can teach Geiger her ways. Can he learn to control his abilities as she has, or will his growing power doom him and everyone he holds dear?

Complicating the situation, the full force of the United States Army descends upon the town, with the enigmatic President Griffin waiting for ultimate victory against the threat of these Glowing People. What he—and Geiger—don't understand are what lengths Ashley will go to in order to fight back.

Secrets unravel, and the stakes have never been higher!

KARMEN TP

STORY / ART / COVER GUILLEM MARCH

NEW YORK PUBLIC LIBRARY BEST NEW COMICS OF 2022

Bold, intimate, and deeply human—this original graphic novel challenges what we think we know about life, death, and everything in between.

Spanish writer and artist **Guillem March** is best known for his ongoing, extensive work with DC Comics on *Batman*, *Catwoman*, and *Harley Quinn* and has worked as an artist on several graphic novels including the English editions of *Monika* with Titan Comics and *The Dream* with Europe Comics.

Here, he takes up his pen for an edgy new volume about a highly unconventional angel named Karmen and the young woman she takes under her wing when a case of heartbreak strikes hard.

Packed with surprises and metaphysics, this gorgeously drawn series deploys tenderness and humor as it dives deep into topics that matter.

IMMORTAL. MERCENARY. KIND OF A TOOL.

British soldier and all-around rogue Simon Pure has led quite an exciting life. Or lives, really.

In this volume, Simon crosses paths with some of America's greatest figures...and one mystery man who absolutely despises Simon.

In the late 19th century, Simon has his annual meet-up with his good friend John Chapman—aka Johnny Appleseed—and an unexpected calamity awaits them. He also meets the striking and skilled sharpshooter Annie Oakley, who always hits the bullseye... especially the one in Simon's heart.

And during the most desperate time of America's Civil War, a mysterious force threatens to turn the tide of key battles by handing the Confederacy an unthinkable victory! Only Simon and the enigmatic new American Myth known as The Northerner stand in their path. But can these two unlikely soldiers put aside their differences long enough to stop a catastrophe?
